**HOTEL FALKEN**  
WENGEN • EST. 1895

Steeped in history, the Hotel Falken was established in 1895 and has been owned and restored by the same family ever since. It combines tradition and original features with modern facilities, all based in the car-free village of Wengen. Its rooms are all individually designed in keeping with the historic ambiance, and the piano room and bar offer a chance to soak up the atmosphere of 1900's Switzerland. Guests can enjoy a range of summer and winter activities in the stunning location between the Jungfrau and Lauterbrunnen Valley, including hikes, rafting, cycling, skiing and other snow sports.
